Points of You® - The Coaching Game for Everyone

Points of You® was founded in 2006 by two creative entrepreneurs – Efrat Shani and Yaron Golan. Since then, the Points of You® tools have been translated to more than 25 languages and our workshops have opened the hearts and minds of more than 100,000 people across the globe.

The tools use the powerful language of today's world, the language of photos, that inspires and provokes the mind. Professionals around the world use these tools to create meaningful communication in various settings, gain insights and have a real impact on people's lives.

These innovative tools are designed for workshop and training not only for teamwork but also for parents, couples and friends to appreciate lives.

This simultaneous stimulus creates an extraordinary phenomenon : All at once, our rational reaction and our intuitive reaction are activated, blending together to create an association ... Waltraud Kirschke (1999) Secret of the Peeling.
